## **\*\*PROFESSIONAL SUMMARY\*\***

Dedicated and skilled Welder with 3 years of hands-on experience in metal fabrication and structural welding. Proficient in SMAW, GMAW, and TIG welding processes, as well as oxy-fuel and plasma cutting. Proven ability to interpret complex blueprints and execute precise welds, contributing to a 15% reduction in material waste. Maintains a 100% safety record by strictly adhering to all PPE and workshop protocols.

•

## **\*\*SKILLS\*\***

### **\*\*Technical Skills\*\***

- \* Shielded Metal Arc Welding (SMAW)
- \* Gas Metal Arc Welding (GMAW/MIG)
- \* Gas Tungsten Arc Welding (GTAW/TIG)
- \* Oxy-Fuel Cutting
- \* Plasma Arc Cutting
- \* Blueprint Interpretation
- \* Metal Fabrication
- \* Weld Inspection & Quality Control
- \* Joint Preparation
- \* Grinding and Finishing
- \* Material Selection

### **\*\*Tools & Equipment\*\***

- \* Arc Welding Machines (SMAW, GMAW, GTAW)
- \* Oxy-Fuel Cutting Torches
- \* Plasma Cutters

- \* Angle & Bench Grinders
- \* Metal Saws (Band Saws, Chop Saws)
- \* Personal Protective Equipment (PPE)
- \* Measuring Tools (Calipers, Squares)
- \* Clamping and Fixturing Equipment
- \* Hand Tools (Hammers, Chisels)

#### **\*\*Soft Skills\*\***

- \* Safety Adherence
- \* Problem-Solving
- \* Attention to Detail
- \* Team Collaboration
- \* Effective Communication
- \* Time Management
- \* Critical Thinking

•

### **\*\*PROFESSIONAL EXPERIENCE\*\***

**\*\*Patra Welder Company\*\*** | Berhampur

Welder | June 2021 - Present

- \* Executed high-quality Shielded Metal Arc Welding (SMAW) and Gas Metal Arc Welding (GMAW) on carbon steel and stainless steel for various fabrication projects.
- \* Interpreted engineering blueprints, drawings, and schematics to determine welding requirements and ensure accurate component assembly, meeting all project specifications.
- \* Operated oxy-fuel and plasma cutting equipment to cut and shape metal parts to precise dimensions, improving project workflow efficiency by 10%.
- \* Conducted routine weld inspections and quality control checks to guarantee all welds met industry standards, achieving a 99% pass rate on first inspection.
- \* Prepared metal surfaces for welding by grinding, cutting, and cleaning to ensure optimal weld penetration and joint integrity.
- \* Adhered strictly to all safety procedures and protocols, contributing to a zero-accident work environment throughout a 3-year tenure.

•

## **\*\*EDUCATION\*\***

**\*\*ITI Berhampur\*\*** | Berhampur

Certificate in Welding Technology | 2021
