## \*\*PROFESSIONAL EXPERIENCE\*\*

\*\*Patra Welder Company\*\* | Berhampur

\*Welder\* | May 2021 – Present

- \* Performed MIG, TIG, Stick, and Flux-Cored arc welding on various metals, including steel and stainless steel, for structural and fabrication projects.
- \* Interpreted complex blueprints, diagrams, and welding symbols to accurately fabricate and assemble metal components, ensuring 100% compliance with design requirements.
- \* Operated plasma and oxy-fuel cutting equipment for precise metal cutting and joint preparation, improving workflow efficiency and reducing material waste by over 10%.
- \* Conducted routine quality inspections on finished welds to identify and correct defects, consistently maintaining a high standard of workmanship and adhering strictly to all safety protocols.
